In Vestry, Christ Church, 17th September, 1836.

Resolved, That the Committee, on Repairs and Improvements, be authorised to send printed notices to all the holders of sittings in the church, to meet on a day or days named in the notice, for the purpose of making a just and equitable arrangement of their respective sittings in the new pews, on the following principles:—

Every one shall have the right of same location of sittings in the new pews as they had in the old ones, except where any change may have been made in the construction of the new pews by the columns.

All holders of double pews shall have the right of the two single ones in its place.

Where a double pew was held by more than one person and they cannot agree themselves on which of the single pews their names shall be entered, or do not appear at the time named, the Committee shall decide the same by lot.

In all cases when there is an increased number of sittings in the new pews, if not more than two families, they shall have the privilege of such additional seat or sittings. When there is but one additional seat, and the pew held by two and they do not agree who shall have the additional seat, the Committee shall decide for them by lot, and in all cases where one of the parties relinquishes all claim to such additional seat or sitting, it is to be considered in favour of the church, and if in the regulation it falls to the church, then a fair subscription to the church to be paid for the same.

In all cases where there is additional sittings, and the holders of pews decline to pay the rent for the same, at the next spring semi-annual collection day they shall be considered vacant, and the Warden may let the same.

In all cases when but part of a pew was let, the increased settings shall belong to the church.

[Turn over.]

The Committee will attend at the Church on Thursday, November 24 from 10 to 2 o'clock
